Restrictions, if any:	

Dear Mr. Yannick Linot:

GlobalPlatform, Inc. ("GlobalPlatform") would like to thank the above company ("Company") for its interest in participating in the GlobalPlatform Laboratory Program (the "GP Lab Program").

After reviewing the Company's request dated 25 January 2022 for qualification of the Facility as a GlobalPlatform Qualified Laboratory for purposes of the GP Lab Program (a "GP Qualified Lab"), including the additional required materials submitted therewith, GlobalPlatform is pleased to inform you that the Facility is hereby designated as a GP Qualified Lab.

Accordingly, subject to the terms of this letter and the restrictions set forth above (if any), GlobalPlatform hereby agrees to include the above-referenced Facility in the list of GP Qualified Labs on the GlobalPlatform web site at www.globalplatform.org (the "GP Qualified Lab List"). If you would like to begin using applicable GP Qualification marks in connection with your GP Qualified Facility, please execute a separate Trademark License Agreement with GlobalPlatform.

Please Note: Qualification as a GP Qualified Lab reflects only that, as of the date of this letter, the specified Facility has successfully demonstrated that it satisfies all of the requirements and conditions for laboratory accreditation for purposes of performing tests of certain types of products submitted for GP Card Qualification under GlobalPlatform's then current laboratory accreditation and reaccreditation processes. GlobalPlatform Lab Qualification is not and should not be construed as either a guaranty of any laboratory or its services or that any such services will be performed in any given manner, or an endorsement of any laboratory. This is not an accreditation in accordance with ISO/IEC 17011.

Qualification and listing as a GP Qualified Lab are subject to continued compliance with all GP Lab Program requirements applicable to GP Qualified Labs. Because qualification and listing are subject to such limitations, including termination under certain circumstances, you and any third parties are strongly encouraged to periodically confirm that such the Company's qualification is current and has not been terminated, by referring to the current GP Qualified Lab List.

Information pertaining to the GP Lab Program and GlobalPlatform Card Qualification is available on the GlobalPlatform website. All specification questions and technical questions should be sent to the GlobalPlatform Compliance Feedback Administrator at ***[compliance_feedback@globalplatform.org]***. All questions related to the laboratory qualification process or the GlobalPlatform Card Qualification process should be sent to the Secretariat at the following email address: secretariat@globalplatform.org.

This Qualification Letter is effective as of the date of this letter.
