

**Global  
Platform™**

# **GlobalPlatform eID Wallet Seminar**

**Brussels / Virtual**

**APRIL 26, 2023**  
**9:00 - 17:00 CET**

# Closing Remarks

Ana Tavares Lattibeaudiere  
GlobalPlatform Executive Director

**Thank you to our  
sponsors and all our  
speakers and attendees**

# Summarizing a few points

**Some things are set  
others in progress**

**High security, trust  
and interoperability**

**Existing technologies  
support different  
deployment models**

**New requirements for  
technology evolution**

**Developing a  
trust ecosystem**

**Certification building  
block for trust**

# Working together in GlobalPlatform

## Specification Development

- Participate in the Technical Committee meetings and contribute to the development of technical specification and standards
- Be at the forefront of innovation and participate in the development of the future standardization roadmap

## Knowledge Sharing & Documentation

- Access to GlobalPlatform's members website
- Access to working documents and discussions that take place before documents are made public
- Participate in Market / Regional Taskforces discussions where requirements are developed and new topics explored

## Community of Security Experts

- Virtual & in-person meetings and dedicated networking events
- Access to a community of experts from the different parts of the device ecosystem and industry verticals
- Participate in innovative discussions with partners about the future of device security and be exposed to different perspectives

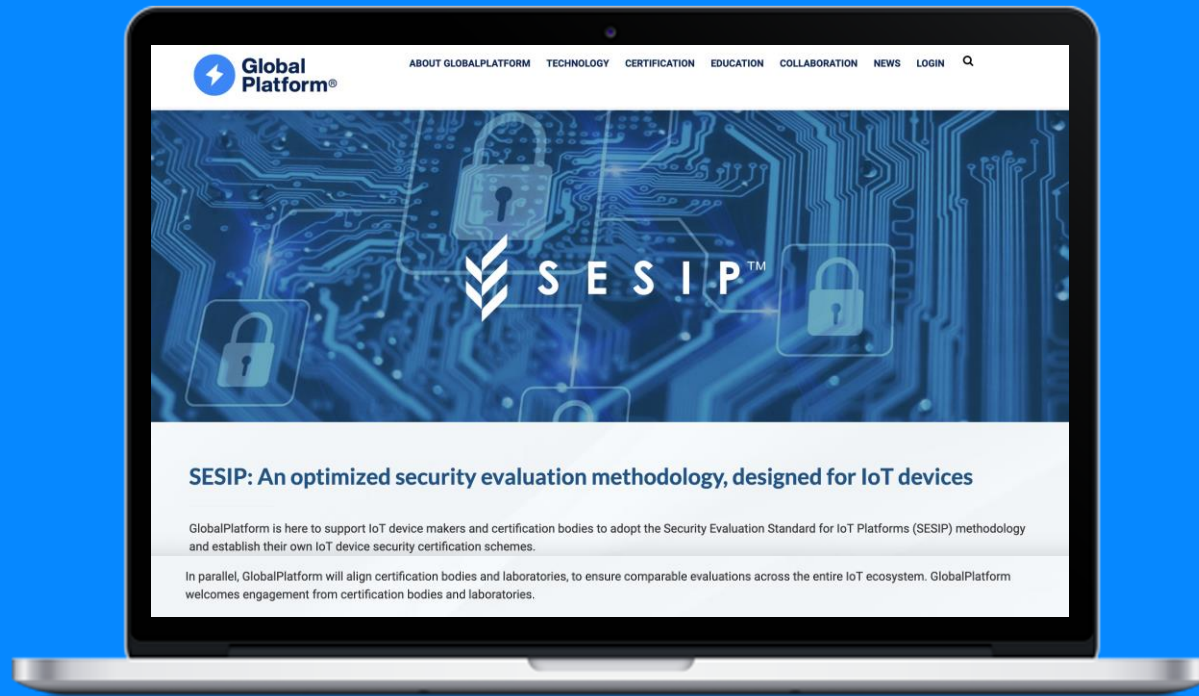

## Marketing & Promotion

- Get visibility on GlobalPlatform's public website and meetings
- Communicate to your ecosystem your participation as a member
- Participate in Industry Events on behalf of GlobalPlatform
- Visibility on Social media, Webinars, Seminars and Workshops

## Services & Events

- Access to discounted GlobalPlatform functional and security certification services
- Free access to Test Suites for functional certification (valued at over \$6k per release)
- Access to discounted GlobalPlatform trainings
- Discounted / free access to GlobalPlatform events and industry partner events
