

GlobalPlatform Product Security Certification Fees

The fees charged by GlobalPlatform are intended to cover the administrative and certification costs incurred by GlobalPlatform in managing the Product Security Certification Process.

The following fixed fees shall be paid to GlobalPlatform by Product Vendors for a certification project:

	GlobalPlatform Member	Non-GlobalPlatform Member
TEE Product	US\$ 29,000	US\$ 38,000

Notes:

1. The fees charged by Accredited Laboratories to Product Vendors for GlobalPlatform testing services are not included in the above fees.
2. GlobalPlatform fees are valid up to November 30, 2026.
3. GlobalPlatform fees for each additional review of evaluation evidence that is deemed necessary to fulfil the certification requirements corresponds to 25% of the standard fees.
4. Payment terms:
 - 100% of the fixed fees upon registration of the certification project
 - 25% of the fixed fees upon agreement of the additional review.
